Entry fee refundable only to bitches in season on test date.

Courses

Two courses will be used. One course for Master/Senior. One course for Junior..

Running Dogs in Congruent Tests

AKC policy allows dogs to run congruent in all levels. Dogs can now obtain legs/passes in different levels and work on earning titles at the same time. Example: A dog can run in Senior and Master levels in the same event and earn passes that will count toward the required pass total for each level. With regard to the number of passes needed, all other AKC requirements apply.

Advanced Titles

Advanced titles (JHA, SHA, and MHA). A Pointing Breed Hunting Test Advanced title is awarded when a dog passes five additional times with an average qualifying score of 8.0 or higher after earning its initial title in a test level. Visit the AKC website Performance pages for information.

Bitches in Season

Bitches in season may compete, but all AKC rules apply.

Electronic Tracking Collars

Use of Electronic Tracking Collars are not permitted in these tests.

Use of ATVs

Judges will be riding ATVs. No ATVs are allowed in the bird field at any time, per AKC Rules and Regulations.

Running Orders/Braces and Timing

We will be staggering people and braces so that we keep a safe distance. If any new rules are established by the Colorado Health Department we will comply. There will be no congregation or lunch served.
